

Safety Council Members Receive Safety Awards

The Darke County Safety Council recognized companies for their excellence in safety at the Thursday, March 28, 2019, monthly meeting. Carol Morrison, Manager of Outreach Programs & Services, Ohio Bureau of Workers' Compensation (BWC), was in attendance to present the annual awards. The safety awards are based on the individual company's semi-annual report data submitted for the period of January through December 2018. The companies were recognized for their achievements with certificates from the BWC in four different categories. Thirty Darke County Safety Council members received safety awards.

Special Awards - to each employer that accumulated at least 500,000 hours and at least six months without an injury or illness resulting in a day away from work; Achievement Awards - to each employer that decreased its incident rate by at least 25% from the previous year; 100% Awards - to each employer that worked the entire calendar year without an injury or illness resulting in a day away from work; Group Awards - to the employer with the lowest incident rate in each group.
